

IN THE MEDALS: VC Jubilee members at the Omnium

# Wheels on fire

KEEN CYCLISTS: Preston Park Youth CC riders at the Sussex Cycle Racing League

## CYCLING by STEVE HOLLIS

ASHLEY DENNIS was in sensational form as he stormed to gold in the Southern Area National Track Omnium Series at Preston Park.

Dennis won the overall under-14 boys title thanks to victories in the pursuit, points race, devil and keirin. The VC Jubilee rider's only disappointment was coming sixth in the scratch race but it did not prevent him winning the series by two points from Euan Cattermole.

Kim English pipped Amy Jacobs to the under-14 girls gold.

English, from Arlington, won the points race, was second in the pursuit and keirin, third in the scratch and fourth in the devil to finish two points ahead of her VC Jubilee rival. Jacobs was second in the points and scratch, third in the devil and keirin and fourth in the pursuit. Sara Gent (In Gear) was runner-up in the devil to come fifth overall.

A disappointing 13th place in the devil meant Charlie Heffernan finished outside the medals in the under-16s. The VC Jubilee rider was second in the keirin, third in the points race, fourth in the pursuit and fifth in the scratch but could only manage 13th in the devil to come fourth overall.

Thomas Burnett (Preston Park Youth CC) was fifth in the under-ten age group with a best performance of third in the scratch race while Amy Barnes (VC Jubilee) was tenth in the under-12s
